USE OF PHOTO RELEASES

Everybody whose photo is used by the HHSA (including staff and public) must have a Photo Consent or Waiver Form on file. These forms have been approved by county counsel, and change the way we have previously done business.

Persons granting permission:

- You are not required to grant us this permission, and your decision will have no impact on your employment with the county.
- A signed release form gives us blanket permission to photograph, videotape, or record you while you are participating in HHSA events, and to use and re-use those images, videos, or recordings for promotional or educational purposes. For example, if we take photos for a New Employee Welcome Memo, we can use them on an unrelated brochure (e.g. the Community Relations brochure). **However**, if we are creating materials that may be perceived as controversial or sensitive, such as an STD flier, we will do you the courtesy of asking your express permission before using your photo.
- If you change your mind about allowing us to use photos/videos/recordings of you, you must indicate this in writing. This letter must be signed and dated, and should be immediately forwarded to the Community Relations CES for your department at Mail Code HHA502.
 - Withdrawing your consent DOES NOT prohibit the use of photos, videos or recordings that have already been made – it simply prohibits us from using photos/videos/recordings taken from that date forward.
 - It is also important to note that the Community Relations division has no interest in causing problems or discomfort for you. Although this form gives the HHSA a lot of freedom, we are certainly sensitive to your wishes. Please let us know if you have any concerns, and we will work with you to ensure that you are comfortable with this process.

Persons taking photos:

- When you take pictures, provide a release form for all people in the photo to sign. Those forms are available on the HHSA Intranet under **News and Media** - "Photo consent form for HHSA staff" and "Photo consent form for public":
<http://intranet/hhsa/index/newsmedia.aspx>
- Forward the original executed release or waiver form to Community Relations (ext. 6862; interoffice mail code HHA502), who will put it into the Photo Release Log and ensure the hard copy's safekeeping.

Users of photos:

- The Community Relations Division maintains a log that tells us whether a person has signed the form, declined to sign the form, or have not yet been asked to sign the form. Before we use your photo/video/recording for any reason, we will make sure that you have given us permission to do so by ensuring that your signed form is on file. **Anyone who does not work in the Community Relations division must check with Samantha Jackson, ext. 6862, or another member of our staff to ensure that you have given photo consent before using your likeness on any materials, including websites.**
- HHSA Staff Photos: PRIOR to using the photo check the Photos-LOG folder, on the HHSA share drive (\\hipaa\HHShare\Community Relations\Photos-LOG), to ensure that all pictured staff members have a release on file. If they do not, immediately provide them with one to sign, and DO NOT USE THE PHOTO UNTIL YOU HAVE THE PHOTO RELEASE FORM SIGNED.
